Organize Buttons

The screenshot shows a mobile application titled "Organize Button". At the top right is a "Done" button. The main area contains a grid of 16 dark gray rectangular buttons, each with a white "X" icon and the word "Text" below it. The buttons are arranged in four rows of four. Below this grid is a "Drag and drop buttons from here" label and an "Edit Buttons" button. At the bottom, there is a horizontal scrollable bar containing five more "Text" buttons.
